Welcome

Thank you for choosing us as your Bankruptcy Preparation Service. We look forward to working with you to achieve your self-help debt relief solution.

Our service uses a standard contract prepared by the National Bankruptcy Law Project. We would like you to review this contract before our interview with you.

The Contract includes a number of disclosures about the nature and scope of our services:

- We are a debt relief agency.
- We provide services under the Bankruptcy code.
- We remind you that we are not attorneys.
- We affirm that we don't engage in the practice of law.
- We disclose the fees for our service.
- We describe the type of services we will provide.

We believe that this contract will provide a good working basis for our future relationship. In addition, we are providing three important disclosures required by the bankruptcy code, and written bankruptcy information approved by an attorney.

Thank you again for choosing us to provide you with exceptional bankruptcy petition preparation services. If you have questions about the contract please contact us.
